Subject: Records Request

Date: 08/09/2013

In response to your request for records from the Lawrence Police Department, this department will be unable to fulfill that request. This department cites exemptions A, B, C, F, J, O, and P as the reasons for this denial. Additionally this department does not maintain or possess any federal documents therefore does not have to comply with F.O.I.A. requests.

Respectfully,

Captain Fitzpatrick (Keeper of Records)
